

Pricing

The INNternationale will accept checks or traveler checks at this time. Checks are to be made out to "Independent Holdings Management LLC. We accept Master Card, Visa, wire or money orders.

The INNternationale has 15 basic floor designs. See Floor Plans Here. It is possible to obtain a resident contract per few days, week, month, semester or yearly basis. You do not have to lease for an entire year. All leases include utilities, movie theater, central air conditioning, central heat, wireless internet, cable TV outlet, token operated laundry center, lounges with and without kitchens, the World Café, weekly and monthly events and the "spoken language" advantage of a world environment. The INNternationale is open 365 days a year.

The INNternationale request all reservations be made a minimum of 60 days in advance. In some cases a student or visiting faculty member will not have the 60 day grace period for reservation. In this case all efforts will be made to secure a reservation however the costs of the 1st two month period of stay will be required 30 days prior to the arrival unless approved in writing otherwise. The INNternationale will accept checks, money orders, bank wire, Master card or Visa. Checks are to be made out to "Independent Holdings Management LLC. When planning your stay please reserve your room as far ahead as possible to assure the requested accommodations, especially if you have interest in the Spoken Language program.

**New fees may include up to a 2% increase, depending on the style of floor plan.

If applying for reservation after the 1/1/2017 date, please inquire about the particular room rate.

Information & Special Accommodations

There are other University service fees such as student health fee, comprehensive student fee, student center fee, registration fee, new student orientation fee and a mandatory medical insurance fee that may or may not be due and payable directly to the University. This will mostly depend on a student's part time or full time status.

Please consult the University website (www.udel.edu) for a listing and description of these fees.

* all pricing is for per individual except with writing approval from management. Couples may receive a discount when reserving one of the Single room floor plans.

** Accommodations for the "Spoken Language" program are possible and all attempts to find the appropriate language interest (s) roommate will be made.

This program will be especially successful for ELI students. The double room and the double/double room have been especially designed for this.

Accommodations will be available but not limited to those students or visiting scholars qualifying as either international of foreign descent or international of American descent.

Accommodations for The English Language Institute students will also be available.

Accommodations for students of American descent studying international business, foreign languages, International studies, Hotel-Restaurant and Institutional Management, study abroad program or a discipline that would be enhanced by association with the residents of the Internationale.

Room Service: *Room service on a daily or weekly basis will be available at an additional charge.

Events:

There will be no charge for the weekly or monthly night event in the conference center and World Café.

Cleaning:

The Resident is responsible for cleaning their own linens and cleaning of the bathroom and bedroom, except for leases involving a daily rental price. This service is limited to the first floor executive rooms but may be arranged at an extra cost for those requiring it. Cleaning is included for the facilities kitchens, café, laundry room, game room and public bathrooms. Residents are required to clean the kitchen after their use as well as their own rooms.

Linens:

Are to be supplied at no charge by the resident leasing short term (Less than one month), however they may be leased for \$10.00 per month.

Shopping:

A shopping trip is included once per week, at no charge, to purchase food and items for cooking in the kitchens within the INN. The Van is also available for special trips and the convenience of the residents.

Bus

Transportation:

A University bus is scheduled to pick up students in front of the INNternationale for transportation to the first morning class. There are UD buses and City buses that pick up students in front of the Student Center all during the day and include night hours. The Student Center is a few minutes from the INN.

Meals:

Meals are available at any number of dining halls at the University. One is located across the street on campus that offer meal plans.

The Perkins student center offers per meal purchase and Main Street is only 10 minutes away from the INN. There are 9 kitchens in the INN

for the use by Residents should they wish to cook.

Each room is supplied with a Micro Wave and Refrigerator.

Food service is available

through the University for those desiring a meal ticket. There are a number of UD cafeterias within short walking distance from the INNternationale. Main

Street restaurants are also within walking distance.

Concierge

Service: The Director, Coordinator or advisors of the INN

are available to assist with various tasks and questions. Maps of the town and University are available in the office.

TV Rental:

One colored TV with Comcast cable is included with all rooms.

Internet and Utilities:

These items are all included at no extra

charge. The Telephone, in the lobby is a free local

call service and may receive long distance calls. A credit card must be used for long distance calls. Both ethernet and wirelss internet are high speed Xfinity provided by Comcast. The original facility is Central air Conditioning and Heat. The new wing has individual air/heat systems in each room.

Spoken

Language:

There is no charge for the "Spoken Language" shared housing arrangement or for matching roommates within this co-ed facility. As part of your reservation, please fill out the information regarding your special needs and interests. We will attempt to provide the most compatible arrangement possible. We ask for all your contact information such that possible student arrangements can be formed via the internet during the reservation period. We also ask that students interested in living with a foreign roommate prepare your reservations as early as possible to allow time to develop your needs.
